LOCAL EXCHANGE SERVICES PRICE LIST

APPLICATION OF PRICE LIST

This Price List sets forth the service offerings, rates, terms and conditions applicable to the provision of competitive local exchange service telecommunications services by Voxbeam Telecommunications Inc. for the use of End Users in transmitting messages within the State of Illinois, subject to the jurisdiction of the Illinois Commerce Commission ("Commission"). Voxbeam Telecommunications Inc.'s services are furnished subject to the availability of facilities and subject to the terms and conditions of this Price List.

The rates and regulations contained in this Price List apply only to the services furnished by Voxbeam Telecommunications Inc. and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carrier for use in accessing the services of the Company.

This Price List is filed pursuant to Section 13-502(b) of the Illinois Public Utilities Act.

This Price List is available for review at the main office of Voxbeam Telecommunications Inc. at 6314 Kingspointe Parkway, Suite 1, Orlando, FL 32819.

SERVICE AREAS

The Company's exchange areas, rate groups, and local calling areas are identical to those defined in the Price Lists of Illinois Bell Telephone Company and other Incumbent Local Exchange Carriers (ILECs) that serve the same exchange as the Company. Where facilities are available, the Company shall provide service in the exchange areas served by those ILECs that operate within the Company's service areas as reflected herein.

Effective: September 24, 2014

LOCAL EXCHANGE SERVICES PRICE LIST

SECTION 1 - DEFINITIONS

For the purpose of this Price List, the following definitions will apply:

Access Line - An arrangement from a local exchange telephone company or other common carrier, using either dedicated or switched access, which connects a Customer's location to Carrier's location or switching center.

Advance Payment - Part or all of a payment required before the start of service.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable Carrier to identify the origin of service of the Customer so it may rate and bill the call. All authorization codes shall be the sole property of Carrier and no Customer shall have any property or other right or interest in the use of any particular authorization code. Automatic numbering identification (ANI) may be used as or in connection with the authorization code.

Authorized User - A person, firm or corporation authorized by the Customer to be an end-user of the service of the Customer.

Automatic Numbering Identification (ANI) - A type of signaling provided by a local exchange telephone company which automatically identifies the local exchange line from which a call originates.

Commission - The Illinois Commerce Commission.

Common Carrier - An authorized company or entity providing telecommunications services to the public

Company - Voxbeam Telecommunications Inc., the issuer of this Price List.

Customer - The person, firm or corporation that orders service and is responsible for the payment of charges and compliance with the terms and conditions of this Price List.

Customer Premises - A location designated by the Customer for the purposes of connecting to the Company's services.

Effective: September 24, 2014

LOCAL EXCHANGE SERVICES PRICE LIST

SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of the Company

2.1.1 Scope

The Company undertakes to furnish communications service pursuant to the terms of this Price List in connection with one-way and/or two-way information transmission originating from points within the State of Illinois, and terminating within a local calling area as defined herein.

The Company is responsible under this Price List only for the services and facilities provided hereunder, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own Customers.

2.1.2 Shortage of Equipment or Facilities

- A. The Company reserves the right to limit or to allocate the use of existing facilities, or of additional facilities offered by the Company, when necessary because of lack of facilities, or due to some other cause beyond the Company's control.
 - B. The furnishing of service under this Price List is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of the Company's facilities as well as facilities the Company may obtain from other carriers to furnish service from time to time as required at the sole discretion of the Company.
-

Effective: September 24, 2014

LOCAL EXCHANGE SERVICES PRICE LIST

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.3 Terms and Conditions

- A. Service is provided on the basis of a minimum period of at least thirty (30) days, 24-hours per day. For the purpose of computing charges in this Price List, a month is considered to have thirty (30) days.
- B. Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this Price List. Customers will also be required to execute any other documents as may be reasonably requested by the Company.
- C. Except as otherwise stated in the Price List, at the expiration of the initial term specified in each Service Order, or in any extension thereof, service shall continue on a month to month basis at the then current rates unless terminated by either party upon notice. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this Price List prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the service order shall survive such termination.
- D. Service may be terminated upon written notice to the Customer if:
 - 1. the Customer is using the service in violation of this Price List; or
 - 2. the Customer is using the service in violation of the law.
- E. This Price List shall be interpreted and governed by the laws of the State of Illinois without regard for its choice of laws provision.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.3 Terms and Conditions, (Cont'd.)

- F. Any Other Telephone Company may not interfere with the right of any person or entity to obtain service directly from the Company. No person or entity shall be required to make any payment, incur any penalty, monetary or otherwise, or purchase any services in order to have the right to obtain service directly from the Company.
 - G. To the extent that either the Company or any Other Telephone Company exercises control over available cable pairs, conduit, duct space, raceways, or other facilities needed by the other to reach a person or entity, the party exercising such control shall make them available to the other on terms equivalent to those under which the Company makes similar facilities under its control available to its Customers. At the reasonable request of either party, the Company and the Other Telephone Company shall jointly attempt to obtain from the owner of the property access for the other party to serve a person or entity.
 - H. The Company hereby reserves its rights to establish service packages specific to a particular Customer. These contracts may or may not be associated with volume and/or term discounts. All service packages established by the Company will be approved by the Commission prior to the furnishing of service.

2.1 Undertaking of the Company, (Cont'd.)

2.1.4 Limitations on Liability, (Cont'd.)

I. With respect to Emergency Number 911 Service:

1. This service is offered solely as an aid in handling assistance calls in connection with fire, police and other emergencies. The company is not responsible for any losses, claims, demands, suits or any liability whatsoever, whether suffered, made instituted or asserted by the Customer or by any other party or person for any personal injury or death of any person or persons, and for any loss, damage or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused by: (1) mistakes, omissions, interruptions, delays, errors or other defects in the provision of service, or (2) installation, operation, failure to operate, maintenance, removal, presence, condition, local or use of any equipment and facilities furnishing this service.
 2. Neither is the Company responsible for any infringement, nor invasion of the right of privacy of any person or persons, caused or claimed to have been caused directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion or use of emergency 911 service features and the equipment associated therewith, or by any services furnished by the Company, including, but not limited to the identification of the telephone number, address or name associated with the telephone used by the party or parties accessing emergency 911 service, and which arise out of the negligence or other wrongful act of the Company, the Customer, its users, agencies or municipalities, or the employees or agents of any one of them.
 3. When a Customer with a nonpublished telephone number, as defined herein, places a call to the emergency 911 service, the Company will release the name and address of the calling party, where such information can be determined, to the appropriate local governmental authority responsible for emergency 911 service upon request of such governmental authority. By subscribing to service under this Price List, the Customer acknowledges and agrees with the release of information as described above.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.5 Notification of Service-Affecting Activities

The Company will provide the Customer reasonable notification of service-affecting activities that may occur in normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notification requirements. With some emergency or unplanned service-affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.6 Provision of Equipment and Facilities

- A. The Company shall use reasonable efforts to maintain only the facilities and equipment that it furnishes to the Customer. The Customer may not nor may the Customer permit others to rearrange, disconnect, remove, attempt to repair, or otherwise interfere with any of the facilities or equipment installed by the Company, except upon the written consent of the Company.
 - B. The Company may substitute, change or rearrange any equipment or facility at any time and from time to time, but shall not thereby alter the technical parameters of the service provided the Customer.
 - C. Equipment the Company provides or installs at the Customer Premises for use in connection with the services the Company offers shall not be used for any purpose other than that for which the equipment is provided.
 - D. Except as otherwise indicated, Customer provided station equipment at the Customer's premises for use in connection with this service shall be so constructed, maintained and operated as to work satisfactorily with the facilities of the Company.
 - E. The Company shall not be responsible for the installation, operation, or maintenance of any Customer provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this Price List, the responsibility of the Company shall be limited to the furnishing of facilities offered under this Price List and to the maintenance and operation of such facilities. Subject to this responsibility, the Company shall not be responsible for:
 - 1. the through transmission of signals by Customer provided equipment or for the quality of, or defects in, such transmission; or
 - 2. the reception of signals by Customer-provided equipment; or
 - 3. network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.7 Non-Routine Installation

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

2.1.8 Special Construction

Subject to the agreement of the Company and to all of the regulations contained in this Price List, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is construction undertaken:

- A. where facilities are not presently available, and there is no other requirement for the facilities so constructed;
- B. of a type other than that which the Company would normally utilize in the furnishing of its services;
- C. over a route other than that which the Company would normally utilize in the furnishing of its services;
- D. in a quantity greater than that which the Company would normally construct;
- E. on an expedited basis;
- F. on a temporary basis until permanent facilities are available;
- G. involving abnormal costs; or
- H. in advance of its normal construction.

2.1.9 Ownership of Facilities

Title to all facilities provided in accordance with this Price List remains in the Company, its partners, agents, contractors or suppliers.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.2 Prohibited Uses

- 2.2.1 The services the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.
 - 2.2.2 The Company may require applicants for service who intend to use the Company's offerings for resale and/or for shared use to file a letter with the Company confirming that their use of the Company's offerings complies with relevant laws and the Public Utilities Commission of Illinois's regulations, policies, orders, and decisions.
 - 2.2.3 The Company may block any signals being transmitted over its Network by Customers which cause interference to the Company or other users. Customer shall be relieved of all obligations to make payments for charges relating to any blocked Service and shall indemnify the Company for any claim, judgment or liability resulting from such blockage.
 - 2.2.4 A Customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights associated with the service without the written consent of the Company. The Company will permit a Customer to transfer its existing service to another entity if the existing Customer has paid all charges owed to the Company for regulated communications services. Such a transfer will be treated as a disconnection of existing service and installation of new service, and non-recurring installation charges as stated in this Price List will apply.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.3 Obligations of the Customer

2.3.1 General

The Customer shall be responsible for:

- A. the payment of all applicable charges pursuant to this Price List;
 - B. damage to or loss of the Company's facilities or equipment caused by the acts or omissions of the Customer; or the noncompliance by the Customer, with these regulations; or by fire or theft or other casualty on the Customer Premises, unless caused by the negligence or willful misconduct of the employees or agents of the Company;
 - C. providing at no charge, as specified from time to time by the Company, any needed equipment, space and power to operate Company facilities and equipment installed on the premises of the Customer, and the level of heating and air conditioning necessary to maintain the proper operating environment on such premises;
 - D. obtaining, maintaining, and otherwise having full responsibility for all rights-of-way and conduit necessary for installation of fiber optic cable and associated equipment used to provide Communications Services to the Customer from the cable building entrance or property line to the location of the equipment space described above in Section 2.3.1.C. Any and all costs associated with the obtaining and maintaining the rights-of-way described herein, including the costs of altering the structure to permit installation of the Company provided facilities, shall be borne entirely by, or may be charged by the Company, to the Customer. The Company may require the Customer to demonstrate its compliance with this section prior to accepting an order for service.

2.3 Obligations of the Customer, (Cont'd.)

2.3.1 General, (Cont'd.)

- E. providing a safe place to work and complying with all laws and regulations regarding the working conditions on the premises at which Company employees and agents shall be installing or maintaining the Company's facilities and equipment. The Customer may be required to install and maintain Company facilities and equipment within a hazardous area if, in the Company's opinion, injury or damage to the Company employees or property might result from installation or maintenance by the Company. The Customer shall be responsible for identifying, monitoring, removing and disposing of any hazardous material (e.g., friable asbestos) prior to any construction or installation work;
 - F. complying with all laws and regulations applicable to, and obtaining all consents, approvals, licenses and permits as may be required with respect to, the location of Company facilities and equipment in any Customer premises or the rights-of-way for which Customer is responsible under Section 2.3.1.D; and granting or obtaining permission for Company agents or employees to enter the premises of the Customer at any time for the purpose of installing, inspecting, maintaining, repairing, or upon termination of service as stated herein, removing the facilities or equipment of the Company;
 - G. not creating or allowing to be placed any liens or other encumbrances on the Company's equipment or facilities; and

2.3 Obligations of the Customer, (Cont'd.)

2.3.2 Liability of the Customer

- A. The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invites, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.
 - B. To the extent caused by any negligent or intentional act of the Customer as described in (A), preceding, the Customer shall indemnify, defend and hold harmless the Company from and against all claims, actions, damages, liabilities, costs and expenses, including reasonable attorneys' fees, for (1) any loss, destruction or damage to property of any third party, and (2) any liability incurred by the Company to any third party pursuant to this or any other Price List of the Company, or otherwise, for any interruption of, interference to, or other defect in any service provided by the Company to such third party.
 - C. The Customer shall not assert any claim against any other Customer or user of the Company's services for damages resulting in whole or in part from or arising in connection with the furnishing of service under this Price List including but not limited to mistakes, omissions, interruptions, delays, errors or other defects or misrepresentations, whether or not such other Customer or user contributed in any way to the occurrence of the damages, unless such damages were caused solely by the negligent or intentional act or omission of the other Customer or user and not by any act or omission of the Company. Nothing in this Price List is intended either to limit or to expand Customer's right to assert any claims against third parties for damages of any nature other than those described in the preceding sentence.

2.4 Customer Equipment and Channels

2.4.1 General

A user may transmit or receive information or signals via the facilities of the Company. The Company's services are designed primarily for the transmission of voice-grade telephonic signals, except as otherwise stated in this Price List. A user may transmit any form of signal that is compatible with the Company's equipment, but the Company does not guarantee that its services will be suitable for purposes other than voice-grade telephonic communication except as specifically stated in this Price List.

2.4.2 Station Equipment

- A. Terminal equipment on the user's premises and the electric power consumed by such equipment shall be provided by and maintained at the expense of the user. The user is responsible for the provision of wiring or cable to connect its terminal equipment to the Company MPOP.
- B. The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to the Company's employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense, subject to prior Customer approval of the equipment expense.

2.4.3 Interconnection of Facilities

- A. Local Traffic Exchange provides the ability for another local exchange provider to terminate local traffic on the Company's network. In order to qualify for Local Traffic Exchange the call must: (a) be originated by an end user of a company that is authorized by the Public Utilities Commission of Illinois to provide local exchange service; (b) originate and terminate within a local calling area of the Company.
 - B. Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing Communications Services and the channels, facilities, or equipment of others shall be provided at the Customer's expense.
 - C. Communications Services may be connected to the services or facilities of other communications carriers only when authorized by, and in accordance with, the terms and conditions of the tariffs of the other communications carriers which are applicable to such connections.
 - D. Facilities furnished under this Price List may be connected to Customer provided terminal equipment in accordance with the provisions of this Price List. All such terminal equipment shall be registered by the Federal Communications Commission pursuant to Part 68 of Title 47, Code of Federal Regulations; and all user-provided wiring shall be installed and maintained in compliance with those regulations.

2.4.4 Inspections

- A. Upon suitable notification to the Customer, and at a reasonable time, the Company may make such tests and inspections as may be necessary to determine that the Customer is complying with the requirements set forth in Section 2.4.2.B of this Price List for the installation, operation, and maintenance of Customer-provided facilities, equipment, and wiring in the connection of Customer-provided facilities and equipment to Company-owned facilities and equipment.
 - B. If the protective requirements for Customer-provided equipment are not being complied with, the Company may take such action as it deems necessary to protect its facilities, equipment, and personnel. The Company will notify the Customer promptly if there is any need for further corrective action. Within ten days of receiving this notice, the Customer must take this corrective action and notify the Company of the action taken. If the Customer fails to do this, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities, equipment and personnel from harm.
 - C. If harm to the Company's network, personnel or services is imminent, the Company reserves the right to shut down Customer's service immediately, with no prior notice required.

2.5 Customer Deposits and Advance Payments

2.5.1 Advance Payments

To safeguard its interests, the Company may require a Customer to make an advance payment before services and facilities are furnished. The advance payment will not exceed an amount equal to the nonrecurring charge(s) and one (1) month's charges for the service or facilities. In addition, the advance payment may also include an amount equal to the estimated non-recurring charges for the special construction and recurring charges (if any) for a period to be set between the Company and the Customer. The advance payment will be credited to the Customer's initial bill. Advance payments do not accrue interest. An advance payment may be required in addition to a deposit.

2.5 Customer Deposits and Advance Payments, (Cont'd.)

2.5.2 Deposits

Any applicant or Customer whose financial responsibility is not established to the satisfaction of the Company may be required to deposit a sum up to an amount equal to the total of the estimated local service and intraLATA toll charges for up to two (2) months for residential Customers and four (4) months for business Customers for the facilities and service. If the minimum period of service for the requested facilities and service is more than one (1) month, as specified in this Price List, the Customer may also be required to deposit a sum up to an amount equal to the total charges for service for the minimum service period less any connection charge paid by the Customer.

The fact that a deposit has been made shall in no way relieve the applicant or Customer from complying with the Price List regulations for the prompt payment of bills on presentation. Each applicant from whom a deposit is collected will be given a certificate of deposit and circular containing the terms and conditions applicable to deposits, in accordance with the Rules and Regulations of the Commission pertaining to Customer deposits.

A. Interest on Deposits

Simple interest at the rate specified by the Commission shall be credited or paid to the Customer while the Company holds the deposit.

B. Inadequate Deposit

If the amount of a deposit is proven to be less than required to meet the requirements specified above, the Customer shall be required to pay an additional deposit upon request.

C. Return of Deposit

When a deposit is to be returned, the Customer may request that the full amount of the deposit be issued by check. If the Customer requests that the full amount be credited to amounts owed the Company, the Company will process the transaction on the billing date and apply the deposit to any amount currently owed to the Company, and return any remaining amount of the deposit to the Customer by check.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.6 Payment Arrangements, (Cont'd.)

2.6.1 Payment for Service

A. General

The Customer is responsible for the payment of all charges for facilities and services furnished by the Company to the Customer.

The Customer is responsible for the payment of federal excise taxes, state and local sales and use taxes and similar taxes imposed by governmental jurisdictions, all of which shall be separately designated on the Company's invoices. The Company will not separately charge for the Illinois gross receipts tax on the Company's invoice for local services. Any taxes imposed by a local jurisdiction (e.g., county and municipal) will only be recovered from those Customers residing in the affected jurisdictions.

Certain telecommunications services, as defined in the Illinois Revised Code, are subject to state sales tax at the prevailing tax rates, if the services originate, or terminate in Illinois, or both, and are charged to a subscriber's telephone number or account in Illinois.

The security of the Customer's PIN is the responsibility of the Customer. All calls placed using a PIN shall be billed to and shall be the obligation of the Customer. The Customer shall not be responsible for charges in connection with the unauthorized use of PINs arising after the Customer notifies the Company of loss, theft, or other breach of security of such PINs. Customers will only be charged once, on either an interstate or intrastate basis, for any nonrecurring charges.

B. Taxes, Fees and Surcharges

Taxes and fees include, but are not limited to: Universal Service Fee, Federal Excise Tax, State Sales Tax, Municipal Tax and Gross Receipts Tax. Unless otherwise specified in this Price List, such taxes, fees and surcharges are in addition to rates as quoted in this Price List and will be itemized separately on Customer invoices.

2.6.2 Billing and Collection of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company.

- A. Non-recurring charges are due and payable within thirty (30) days after the date the invoice is mailed to the Customer by the Company.
 - B. The Company shall present invoices for recurring charges monthly to the Customer, in advance of the month in which service is provided, and recurring charges shall be due and payable within thirty (30) days after the date the invoice is mailed to the Customer by the Company. When billing is based upon Customer usage, usage charges will be billed monthly for the preceding billing period.
 - C. When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days.

2.6.2 Billing and Collection of Charges, (Cont'd.)

- D. Billing of the Customer by the Company will begin on the Service Commencement Date, which is the day on which the Company notifies the Customer that the service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this Price List or the Service Order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.
- E. If any portion of the payment is not received by the Company within 30 days of receipt of the bill, or if any portion of the payment is received by the Company in funds which are not immediately available upon presentment, then a late payment charge of 1.5% per month shall be due to the Company. A late payment charge is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late payment charges are to be applied without discrimination.
- F. In the event that a Customer pays a bill as submitted by a telephone utility and the billing is later found to be incorrect due to an error either in charging more than the published rate, in measuring the quantity or volume of service provided, or in charging for the incorrect class of service, the utility shall refund the overcharge with interest from the date of overpayment by the Customer.

The rate of interest shall be the rate as established by the Commission to be paid on deposits.

The refund shall be accomplished by a credit on a subsequent bill for telephone service, or by check of the account is final, or if so requested by the Customer.

2.6.3 Suspension or Termination of Service

A. Discontinuance or Refusal of Service

The Company may discontinue or refuse service for any of the reasons stated below:

1. For failure to make or increase a deposit pursuant to 83 Ill. Adm. Code 735.90, 735.110 and 735.120;
 2. For failure to pay a past due bill owed to the Company, including one for the same class of service furnished to the applicant or Customer at the same or another location, or where the applicant or Customer voluntarily assumed, in writing, responsibility for the bills of another applicant or Customer. For purposes of this subsection, the Company may discontinue service if the current Customer is liable for a past due bill for telephone service pursuant to Section 15 of the Rights of Married Persons Act (750 ILCS 65/15), unless the Customer, at the option of the Company, pays any past due bill and/or provides a deposit pursuant to 83 Ill. Admn. Code 735.120 and/or enters into a deferred payment agreement pursuant to 83 Ill. Adm. Code 735.80;
 3. For failure to provide Company representatives with necessary access to Company-owned service equipment after the Company has made a written request to do so;
 4. For failure to make payment in accordance with the terms of a deferred payment arrangement;
 5. When a Company has reason to believe that a Customer has used a device or scheme to obtain service without payment and where the Company has so notified the Customer prior to disconnection;

C. Discontinuance Procedures

1. If, in the judgment of the Company, any use of the facilities or service by the Customer may adversely affect the Company's personnel, plant, property or service. The Company shall have the right to take immediate action, including termination of the service and severing of the connection, without notice to the Customer when injury or damage to telephone personnel, plant, property or service is occurring, or is likely to occur;
2. The Company may discontinue service to a Customer after it has mailed or delivered by other means a written notice of discontinuance. Service shall not be discontinued until at least five (5) days after delivery of this notice or eight (8) days after the postmark date on a mailed notice. The notice of discontinuance shall be delivered separately from any other written matter or bill.
3. Notice of discontinuance shall not be mailed before the third business day following the due date shown on the bill.

D. Said notice shall remain in effect for twenty (20) days beyond the date of discontinuance shown on the notice. The Company shall not discontinue service beyond the twenty (20) day period until at least five (5) days after delivery of a new written notice of discontinuance or eight (8) days after the postmark on a mailed notice.

E. In addition to the written notice, the Company shall attempt to advise the Customer when service is scheduled for discontinuance.

F. Timing of the Discontinuance

Service shall not be discontinued for a past due bill after 12 noon on a day before or on any Saturday, Sunday, legal holiday recognized by the State of Illinois, or any day when the Company's business offices are not open for business.

2.6.4 Cancellation of Application for Service

- A. Where the Company permits the Customer to cancel an application for service prior to the start of service or prior to any special construction, no charges will be imposed except for those specified below.
 - B. Where, prior to cancellation by the Customer, the Company incurs any expenses in installing the service or in preparing to install the service that it otherwise would not have incurred, a charge equal to the costs the Company incurred, shall apply, but in no case shall this charge exceed the sum of the charge for the minimum period of services ordered, including installation charges, and all charges others levy against the Company that would have been chargeable to the Customer had service begun. Such charge will be deducted from any Advance Payment collected as part of the Application for Service. The Company will reimburse Customers based on the following: Customers whose Service Orders have not yet been processed will receive a complete refund; those whose Service Orders are in process will receive a 50% credit; Service Orders that have been completed are not eligible for a refund.
 - C. Where the Company incurs any expense in connection with special construction, or where special arrangements of facilities or equipment have begun, before the Company receives a cancellation notice, a charge equal to the costs incurred, less net salvage, may apply. In such cases, the charge will be based on such elements as the cost of the equipment, facilities, and material, the cost of installation, engineering, labor, and supervision, general and administrative expense, other disbursements, depreciation, maintenance, taxes, provision for return on investment, and any other costs associated with the special construction or arrangements.

2.7 Allowances for Interruptions in Service

2.7.1 General

- A. A credit allowance will be given when service is interrupted, except as specified below. A service is interrupted when it becomes inoperative to the Customer, e.g., the Customer is unable to transmit or receive, because of a failure of a component furnished by the Company under this Price List.
 - B. An interruption period begins when the Customer reports a service, facility or circuit to be inoperative and, if necessary, releases it for testing and repair. An interruption period ends when the service, facility or circuit is operative.
 - C. If the Customer reports a service, facility or circuit to be interrupted but declines to release it for testing and repair, or refuses access to its premises for test and repair by the Company, the service, facility or circuit is considered to be impaired but not interrupted. No credit allowances will be made for a service, facility or circuit considered by the Company to be impaired.
 - D. The Customer shall be responsible for the payment of service charges as set forth herein for visits by the Company's agents or employees to the premises of the Customer when the service difficulty or trouble report results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.

2.7 Allowances for Interruptions in Service, (Cont'd.)

2.7.2 Limitations of Allowances

No credit allowance will be made for any interruption in service:

- A. Due to the negligence of or noncompliance with the provisions of this Price List by any person or entity other than the Company, including but not limited to the Customer;
- B. Due to the failure of power, equipment, systems, connections or services not provided by the Company;
- C. Due to circumstances or causes beyond the reasonable control of the Company;
- D. During any period in which the Company is not given full and free access to its facilities and equipment for the purposes of investigating and correcting interruptions;
- E. A service will not be deemed to be interrupted if a Customer continues to voluntarily make use of the such service. If the service is interrupted, the Customer can get a service credit, use another means of communications provided by the Company (pursuant to Section 2.7.3), or utilize another service provider;
- F. During any period when the Customer has released service to the Company for maintenance purposes or for implementation of a Customer order for a change in service arrangements;
- G. That occurs or continues due to the Customer's failure to authorize replacement of any element of special construction; and
- H. That was not reported to the Company within thirty (30) days of the date that service was affected.

2.7.3 Use of Another Means of Communications

2.7 Allowances for Interruption in Service, (Cont'd.)

2.7.4 Interruption of Service Credits

The Company will provide a credit to the Customer for service outages that last over a 24 hour period. Credit will be given on the next monthly billing cycle following the outage or the discovery of the outage. Credits will be issued based upon the following criteria:

- A. If the service outage is 48 hours or less, the credit will be equal to a pro-rata portion of the monthly recurring charges for all local services disrupted. For purposes of this calculation, all months will have 30 service days. The credit will be the number of day of the outage divided by 30 times the monthly recurring charges for the local services affected by the outage.
 - B. If the service outage is for more than 48 hours but not more than 72 hours, the credit will be equal to at least 33% of one month's recurring charges for all local services affected by the outage.
 - C. If the service outage is for more than 72 hours but not more than 96 hours, the credit will be equal to at least 67% of one month's recurring charges for all local services affected by the outage.
 - D. If the service outage is for more than 96 hours but not more than 120 hours, the credit will be equal to at one month's recurring charges for all local services affected by the outage.
 - E. For each day or portion thereof that the service outage continues after 120 hours, the Company will provide alternative telephone service or an additional credit of \$20.00 per day, at the Customer's option.

2.7 Allowances for Interruption in Service, (Cont'd.)

2.7.5 Limitations on Allowances

No credit allowance will be made for:

- A. interruptions due to the negligence of or noncompliance with the provisions of this Price List by the Customer, authorized user or joint user;
- B. interruptions due to the negligence of any person other than the Company, including but not limited to the Customer;
- C. interruptions of service during any period in which the Company is not given full access to its facilities and equipment for the purpose of investigating and correcting interruptions;
- D. interruptions of service during a period in which the Customer continues to use the service on an impaired basis;
- E. interruptions of service during any period when the Customer has released service to the Company for maintenance purposes or for implementation of a Customer order for a change in service arrangements;
- F. interruption of service due to circumstances or causes beyond the reasonable control of Company; and
- G. that occur or continue due to the Customer's failure to authorize replacement of any element of special construction.

2.7.6 Cancellation For Service Interruption

Cancellation or termination for service interruption is permitted only if any circuit experiences a single continuous outage of eight (8) hours or more or cumulative service credits equaling sixteen (16) hours in a continuous twelve (12) month period. The right to cancel service under this provision applies only to the single circuit which has been subject to the outage or cumulative service credits.

2.8 Cancellation of Service by Customer

2.8.1 Customers may cancel service verbally or in writing. The company shall hold the Customer responsible for payment of all charges, including fixed fees, surcharges, etc., which accrue up to the cancellation date. Customers that cancel the primary local exchange line will have the entire Account disconnected, including any secondary line and all associated features. In the event the Customer executes a term commitment agreement with the Company, the Customer must cancel service and terminate the agreement in accordance with the agreement terms.

2.8.2 If a Customer cancels a service order or terminates services before the completion of the term for any reason other than a service interruption (as defined in Section 2.7.1 of this Price List) or where the Company breaches the terms in the service contract, Customer may be requested by the Company to pay to Company termination liability charges, which are defined below. These charges shall become due and owing as of the effective date of the cancellation or termination and be payable within the period set forth in Section 2.6.2 of this Price List.

2.8.3 Termination Liability

Customer's termination liability for cancellation of service shall be equal to:

- A. all unpaid non-recurring charges reasonably expended by Company to establish service to Customer, plus;
 - B. any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by Company on behalf of Customer, plus;
 - C. all recurring charges specified in the applicable Service Order for the balance of the then current term discounted at the prime rate announced in the Wall Street Journal on the third business day following the date of cancellation;
 - D. minus a reasonable allowance for costs avoided by the Company as a direct result of Customer's cancellation.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.10 Customer Liability for Unauthorized Use of the Network

Unauthorized use of the network occurs when a person or entity that does not have actual, apparent, or implied authority to use the network, obtains the Company's services provided under this Price List.

2.10.1 Customer Liability for Fraud and Unauthorized Use of the Network

- A. The Customer is liable for the unauthorized use of the network obtained through the fraudulent use of a Company calling card, if such a card is offered by the Company, or an accepted credit card, provided that the unauthorized use occurs before the Company has been notified.
- B. A Company calling card is a telephone calling card issued by the Company at the Customer's request, which enables the Customer or user(s) authorized by the Customer to place calls over the Network and to have the charges for such calls billed to the Customer's account.

An accepted credit card is any credit card that a cardholder has requested or applied for and received, or has signed, used, or authorized another person to use to obtain credit. Any credit card issued as a renewal or substitute in accordance with this paragraph is an accepted credit card when received by the cardholder.

- C. The Customer must give the Company written or oral notice that an unauthorized use of a Company calling card or an accepted credit card has occurred or may occur as a result of loss, and/or theft.
- D. The Customer is responsible for payment of all charges for calling card services furnished to the Customer or to users authorized by the Customer to use service provided under this Price List, unless due to the negligence of the Company. This responsibility is not changed due to any use, misuse, or abuse of the Customer's service or Customer-provided equipment by third parties, the Customer's employees, or the public.

The liability of the Customer for unauthorized use of the Network by credit card fraud will not exceed the lesser of fifty dollars (\$50.00) or the amount of money, property, labor, or services obtained by the unauthorized user before notification to the Company.

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.11 Use of Customer's Service by Others

2.11.1 Joint Use Arrangements

Joint use arrangements will be permitted for all services provided under this Price List. From each joint use arrangement, one member will be designated as the Customer responsible for the manner in which the joint use of the service will be allocated. The Company will accept orders to start, rearrange, relocate, or discontinue service only from the Customer. Without affecting the Customer's ultimate responsibility for payment of all charges for the service, each joint user shall be responsible for the payment of the charges billed to it.

2.12 Transfers and Assignments

Neither the Company nor the Customer may assign or transfer its rights or duties in connection with the services and facilities provided by the Company without the written consent of the other party, except that the Company may assign its rights and duties to a) any subsidiary, parent company or affiliate of the Company; b) pursuant to any sale or transfer of substantially all the assets of the Company; or c) pursuant to any financing, merger or reorganization of the Company.

2.15 Telecommunications Relay Service

2.15.1 The Company concurs in the Rates, Rules and Regulations governing: (1) intrastate Telecommunications Provisions for the Hearing-and-Voice-Impaired as filed by the Illinois Telecommunications Access Corporation in its ILL. C. C. No. 1 tariff; (2) intrastate Telecommunications Provisions for the Deaf and Severely Hearing-Impaired for Telecommunications Relay Service as filed by the Illinois Telecommunications Access Corporation in its ILL. C. C. No. 2 tariff.

2.15.2 The Company extends this concurrence to any and all changes which may be made subsequent to this date by the Illinois Telecommunications Access Corporation in its ILL. C. C. No. 1 and ILL. C. C. No. 2 tariffs.

2.15.3 The Company hereby expressly reserves the right to cancel and make void this statement of concurrence at any time.

2.15.4 ITAC Supplemental Charge

Pursuant to the Order dated April 5, 2016, of the Illinois Commerce Commission in Docket No. 16-0106, the Company shall impose a supplemental charge of two cents (\$0.02) per month per line for all Illinois telecommunications carriers, including wireless carriers (other than prepaid wireless carriers) and VoIP residential subscriber lines, a charge of .4 cents (\$0.004) per VoIP business subscriber lines, a charge of .4 cents (\$0.004) per line for all Centrex lines and a charge of ten cents (\$0.10) per PBX trunk. Charges for services provisioned by T-1 lines and other advanced services shall mirror the Company's application of 9-1-1 charges. The assessment on prepaid wireless transactions is established at .07% of prepaid retail transactions, to be implemented by the Illinois Department of Revenue. These charges shall be effective with bills rendered or transactions occurring on or after July 1, 2016, or at the beginning of the first cycle after July 1, 2016.

4.4 Public Telephone Surcharge

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all intrastate calls that originate from any pay telephone used to access Company provided services. This surcharge, which is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with service, applies for the use of the instrument used to access Company provided service and is unrelated to the service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (e.g., using the "#" symbol). The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

4.5 Carrier Presubscription

4.5.1 General

Carrier Presubscription is a procedure whereby a Customer designates to the Company the carrier which the Customer wishes to be the carrier of choice for intraLATA and interLATA toll calls. Such calls are automatically directed to the designated carrier, without the need to use carrier access codes or additional dialing to direct the call to the designated carrier. Presubscription does not prevent a Customer who has presubscribed to an IntraLATA or InterLATA toll carrier from using carrier access codes or additional dialing to direct calls to an alternative long distance carrier on a per call basis.

4.5.2 Presubscription Options - Customers may select the same carrier or separate carriers for intraLATA and interLATA long distance. The following options for long distance Presubscription are available:

Option A: Customer select the Company as the presubscribed carrier for IntraLATA and InterLATA toll calls subject to presubscription.

Option B: Customer may select the Company as the presubscribed carrier for IntraLATA calls subject to presubscription and some other carrier as the presubscribed carrier for interLATA toll calls subject to presubscription.

Option C: Customer may select a carrier other than the Company for intraLATA toll calls subject to presubscription and the Company for interLATA toll calls subject to presubscription.

Option D: Customer may select the carrier other than the Company for both intraLATA and interLATA toll calls subject to presubscription

Option E: Customer may select two different carriers, neither being the Company for intraLATA and interLATA toll calls. One carrier to be the Customers' primary intraLATA interexchange carrier. The other carrier to be the Customer's primary interLATA interexchange carrier.

Option F: Customer may select a carrier other than the Company for no presubscribed carrier for intraLATA toll calls subject to presubscription which will require the Customer to dial a carrier access code to route all intraLATA toll calls to the carrier of choice for each call.

4.5 Carrier Presubscription, (Cont'd.)

4.5.3 Rules and Regulations

Customers of record will retain their primary interexchange carrier(s) until they request that their dialing arrangements be changed.

Customers of record or new Customers may select either Options A, B, C, D, E or F for intraLATA Presubscription.

Customers may change their selected Option and/or presubscribed toll carrier at any time subject to charges specified in 4.4.5 below:

4.5.4 Presubscription Procedures

A new Customer will be asked to select intraLATA and interLATA toll carriers at the time the Customer places an order to establish local exchange service with the Company. The Company will process the Customer's order for service. All new Customers' initial requests for intraLATA toll service presubscription shall be provided free of charge.

If a new Customer is unable to make selection at the time the new Customer places an order to establish local exchange service, the Company will read a random listing of all available intraLATA and interLATA carriers to aid the Customer in selection. If selection is still not possible, the Company will inform the Customer that he/she will be given 90 calendar days in which to inform the Company of his/her choice for primary toll carrier(s) free of charge. Until the Customer informs the Company of his/her choice of primary toll carrier, the Customer will not have access to long distance services on a presubscribed basis, but rather will be required to dial a carrier access code to route all toll calls to the carrier(s) of choice. Customers who inform the Company of a choice for toll carrier presubscription within the 90 day period will not be assessed a service charge for the initial Customer request.

Customers of record may initiate a intraLATA or interLATA presubscription change at any time, subject to the charges specified in 4.5.5 below. If a Customer of record inquires of the Company of the carriers available for toll presubscription, the Company will read a random listing of all available intraLATA carriers to aid the Customer in selection.

SECTION 5 - LOCAL EXCHANGE SERVICE

5.1 General

Local exchange service is offered to business and residential Customers on a presubscription basis from equal access originating end offices only. Service is provided on a term basis only. Unless other specified, the minimum term is one (1) year. Rates for service may vary by call type and/or term commitment. Usage rates, per call charges and monthly fees may apply. In addition, applicable Service Order and other non-recurring charges may apply. Call timing is defined in the description for each service. Service is available 24 hours a day, 7 days a week. Service is available where technically feasible and where facilities permit.

5.1.1 Application of Business and Residential Rates

- A. The determination as to whether telephone service should be classified as Business or Residential is based on the character of the use to be made of the service. Service is classified as Business service where the use is primarily or substantially of a business, professional, institutional, or otherwise occupational nature. Where the business use, if any, is incidental and where the major use is of a personal or domestic nature at the person ' s dwelling, service is classified as Residential service.
 - B. Business rates apply at the following locations, among others:
 - 1. In offices, stores and factories, and in quarters occupied by clubs, lodges, fraternal societies, schools, colleges, libraries, hospitals, and other business establishments.
 - 2. In residence locations where the place of residence is in the immediate proximity to a place of business and it is evident that the telephone in the residence is or will be used for business purposes, and in residence locations where an extension is located at a place where business rates would apply.
 - 3. In the residence of a practicing physician, dentist, veterinary, surgeon, or other medical practitioner who has no service at business rates at another location.
 - 4. In any residence location where there is substantial business use of the service and the Customer has no service at business rates.

5.2 Charges Based on Duration of Use

Where charges for a service are specified based on the duration of use, such as the duration of a telephone call, the following rules apply:

- A. Calls are measured in durational increments identified for each service. All calls that are fractions of a measurement increment are rounded-up to the next whole unit.
 - B. Timing on completed calls begins when the call is answered by the called party. Answering is determined by hardware answer supervision in all cases where this signaling is provided by the terminating local carrier and any intermediate carrier(s). Timing for operator service person-to-person calls start with completion of the connection to the person called or an acceptable substitute, or to the PBX station called.
 - C. Timing terminates on all calls when the calling party hangs up or the Company network receives an off-hook signal from the terminating carrier.
 - D. Calls originating in one time period and terminating in another will be billed in proportion to the rates in effect during different segments of the call.
 - E. All times refer to local time.

5.3 Basic Local Exchange Service

5.3.1 General

Basic Local Exchange Service provides a Customer with a telephonic connection to, and a unique telephone number on, the Company switching network that enables the Customer to:

- a) receive calls from other stations on the public switched telephone network;
- b) access the Company Local Calling Services and other Services as set forth in this Price List;
- c) access interexchange calling services of the Company and of other carriers;
- d) access (at no additional charge) to Company operators and business office for service related assistance;
- e) access toll-free telecommunications services such as 800 NPA; and access toll-free emergency services by dialing 0 or 9-1-1 (where available);
- f) access relay services for the hearing and/or speech impaired.

Basic Local Exchange Services cannot be used to originate calls to caller-paid information services (e.g., 900, 976) provided by other companies. Calls to those numbers and other numbers used for caller-paid information services will be blocked by the Company switch. Each Basic Local Exchange Service corresponds to one or more telephonic communications channels that can be used to place or receive one call at a time.

Individual line Residence and Business Basic Local Exchange Service is comprised of exchange access lines defined as follows:

Exchange Access Line - The service central office line equipment and all the Company plant facilities up to the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the tariffed use offering selected by the Customer.

5.4 Direct Inward Dial (DID) Service

5.4.1 General

- A. DID Service provides a Customer with a voice grade telephonic communications trunk channel to receive incoming voice or data calls to local telephone numbers assigned to the Customer. DID Service does not provide a line-side connection. DID Service transmits the dialed digits for all incoming calls, allowing the Customer's incoming calls to be routed as required by the Customer to the Customer's designated equipment.
- B. DID Service may be provided in conjunction with non-regulated services offered by the Company pursuant to contract. To the extent that contractual rates for DID Service differ from those set forth in Section 5.4.3 below, they will be subject to the terms of the Individual Case Basis arrangements set forth in Section 8.1 of this Price List.

5.4.2 Service Eligibility, Restrictions and Limitations

- A. The Customer must subscribe to a minimum of 20,000 DID numbers in each state in which it requests DID Service.
 - B. Connectivity to E911, operator services and directory assistance is not supported by DID Service.
 - C. The Company reserves the right to provision DID service based upon the availability of facilities and equipment necessary to support the Customer's specific service requirements.
 - D. The Company, at its sole discretion, reserves the right to limit the quantity of DID number blocks a Customer may obtain. Requests for 30 or more DID number blocks must be provided to the Company in writing no less than five (5) months prior to activation. In addition, the Company reserves the right to review vacant DID stations or stations not in use to determine their utilization. Should the Company determine, based on its own discretion, that there is inefficient number utilization, the Company may reassign the DID numbers.

SECTION 5.0 – LOCAL EXCHANGE SERVICE, (CONT'D.)

5.5 Direct Inward Dial/Direct Outward Dial (DID/DOD) Service

5.5.1 General

- A. DID/DOD Service combines DID Service as described in Section 5.4 with Direct Outward Dial (DOD) service. DOD service is not provided independently of DID service. DID/DOD Service provides a Customer with a voice grade telephonic communications trunk channel to place and receive voice or data calls. DID/DOD Service does not provide a line-side connection. It transmits the dialed digits for incoming or outgoing calls, allowing the Customer's calls to be routed as required by the Customer to the Customer's designated equipment. Where available from the Company, long distance services can be provided in conjunction with DID/DOD Service or Customers may choose to route traffic to other carriers for long distance termination.
- B. Connectivity to E911, operator services and directory assistance is supported by DID/DOD Service.
- C. DID/DOD Service may be provided in conjunction with non-regulated services offered by the Company pursuant to contract. To the extent that contractual rates for DID/DOD Service differ from those set forth in Section 5.5.3 below, they will be subject to the terms of the Individual Case Basis arrangements set forth in Section 8.1 of this Price List.

5.5.2 Service Eligibility, Restrictions and Limitations

- A. The Customer must subscribe to a minimum of 20,000 DID/DOD numbers in each state in which it requests DID/DOD Service.
 - B. The Company reserves the right to provision DID/DOD service based upon the availability of facilities and equipment necessary to support the Customer's specific service requirements.
 - C. The Company, at its sole discretion, reserves the right to limit the quantity of DID/DOD number blocks a Customer may obtain. Requests for 30 or more DID/DOD number blocks must be provided to the Company in writing no less than five (5) months prior to activation. In addition, the Company reserves the right to review vacant DID/DOD stations or stations not in use to determine their utilization. Should the Company determine, based on its own discretion, that there is inefficient number utilization, the Company may reassign the DID/DOD numbers.

6.5 Directory Listing Service, (Cont'd.)

6.5.2 Listings

A. Primary Listing

One listing, termed the primary listing, is included with each exchange access line or each joint user service.

B. Additional Listings

Additional listings may be the listings of individual names of those entitle to use the customer's service or , for business, Departments, Divisions, Trade names, etc.

In connection with business and residence service, regular additional listings are available only in the names of Authorized Users of the Customer's service.

Ordinarily, all additional listings are of the same address and telephone number as the primary listings, except as provided for joint user and alternate number listings. However, when it appears necessary as an aid to the use of the directory and provided satisfactory service can be furnished, a listing will be permitted under the address of a branch exchange, Centrex or extension of an exchange service line installed on the premises of the Customer, but at an address different from that of the attendant position of main service.

Business additional listings are not permitted in connection with residence service. Residence additional listings are also permitted in connection with business service which is located in a residence and for permanent or season guests residing in a hotel or club.

A residence dual name additional listing is comprised of a surname, two first names, address and telephone number. A residence dual name additional listing may be provided for two persons who share the same surname and reside at the same address, or for a person known by two first names.

Special types of additional listings, such as Alternate, Alpha and Informational, Duplicate and Reference Listings, Foreign Listings, etc. take the same business or residence classification as the service with which such listings are furnished.

6.5.2 Listings, (Cont'd.)

C. Nonpublished Service

The telephone numbers of nonpublished service are not listed in either the Company's alphabetical directory or Directory Assistance records available to the general public.

Non published information may be released to emergency service providers, to customers who subscribe to Company offerings which require the information to provide service and/ or bill their clients, or, to telephone customers who are billed for calls placed to or from nonpublished numbers and to entities which collect for the billed services. Nonpublished names and/or telephone numbers may also be delivered to customers on a call-by-call basis.

Incoming calls to nonpublished service will be completed by the Company only when the calling party places the call by number. The Company will adhere to this practice notwithstanding any claim the calling party may present, except claims of emergencies involving life and death. In such cases, the Company will call the non-published number and request permission to make an immediate connection to the calling party.

When the Company agrees to keep a number unlisted, it does so without any obligation. Except for cases of gross negligence or willful misconduct, the Company is not liable for any damages that might arise from publishing a non-published number in the directory or disclosing it to some. If, in error, the telephone number is published in the directory, the Company's only obligation is to credit or refund any monthly charges the Customer paid for non-published service.

The Subscriber indemnifies (i.e., promises to reimburse the Company for any amount the Company must pay as a result of) and save the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of a non-published service or the disclosing of said number to any person.

D. Nonlisted Service

Non-listed service means that the Customer's telephone number is not listed in the directory, but does it appear in the Company's Directory Assistance Records.

This service is subject to the rules and regulations for E911 service, where applicable.

The Company will only complete calls to a nonlisted number, if requested by a caller, during the course of a directory assistance call completion service.

When the Company agrees to keep a number unlisted, it does so without any obligation. Except for cases of gross negligence or willful misconduct, the Company is not liable for any damages that might arise from publishing a non-listed number in the directory or disclosing it to some. If, in error, the telephone number is listed in the directory, the Company's only obligation is to credit or refund any monthly charges the Customer paid for nonlisted service.

The subscriber indemnifies (i.e., promises to reimburse the Company for any amount the Company must pay as a result of) and save the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of a non-listed service or the disclosing of said number to any person.
